Why Prime?

I started Prime Services because I believe I have more to offer to my clients. As a one-

stop company for all your cleaning and exterior maintenance needs our company can save you time and hassle. Our focus on quality, reliability and satisfaction combined with a rock-solid guarantee means you can relax knowing your facility is in good hands. With a Master's Degree in Business Administration and over a decade of experience in the commercial cleaning field, I am committed to providing a clean, healthy, safe environment to my clients.

We are a locally owned and operated full service cleaning company for facilities of any size. We offer both interior and exterior services as often as you need them and at the best possible prices. Our expertise extends from daily basic dust cleaning to very specialized cleaning. We are experienced in the cleaning and sanitation of critical highly-sensitive areas for healthcare facilities, medical device plants and research & development laboratories. We also provide chemicals products, paper and plastics supplies with free delivery.
